

2026 OTCC CEU Sessions

Sessions will be outdoors

Date	Time	Session	CEUs	Speaker(s)	Description
Friday September 11	9:30am-10:00am	Exhibitor Demo	0.5 CEU (30 min)	<u>Creighton Rock Drill</u> <i>Dipperfox Tree Cutter Drill</i>	Creighton Rock Drill will discuss how the Dipperfox Tree Cutter provides fast and safe tree and stump removal through minimized excavation, improved operator safety, efficient site cleanup, and increased productivity. <i>This session will be repeated (you can only earn the 0.5 CEU one time).</i>
	10:00am-11:00am	Trees of the Botanical Gardens Part 1	1 CEU (60 min)	Darrell Bley <i>Curator & Horticulture Instructor at <u>Niagara Parks School of Horticulture</u></i>	In part 1 of this series, Darrell will discuss a history of Niagara Parks Botanical Gardens, featuring a look at older specimens, as well as subordination pruning. <i>Each session is unique – you can attend, one, two, or all sessions. You don't need to attend a previous session to attend the next one. You will earn 1 CEU for each session you attend.</i>
	11:00am-11:30am	Exhibitor Demo	0.5 CEU (30 min)	<u>Milwaukee Tool</u> <i>Electric saws</i>	Milwaukee will demonstrate some of their electric tools. <i>This session will be repeated (you can only earn the 0.5 CEU one time).</i>
	11:30am-12:00 pm	Exhibitor Demo	0.5 CEU (30 min)	<u>Kebtek</u> <i>Electric pruner</i>	Kebtek will discuss how their electric pruners offer safe, simple, effective pruning. <i>This session will be repeated (you can only earn the 0.5 CEU one time).</i>
	12:35pm-1:35pm	Trees of the Botanical Gardens Part 2	1 CEU (60 min)	Darrell Bley <i>Curator & Horticulture Instructor at <u>Niagara Parks School of Horticulture</u></i>	In part 2 of this series, Darrell will discuss a history of Niagara Parks Botanical Gardens, featuring a look at older specimens, as well as subordination pruning. <i>Each session is unique – you can attend, one, two, or all sessions. You don't need to attend a previous session to attend the next one. You will earn 1 CEU for each session you attend.</i>
	2:00pm-2:30pm	Exhibitor Demo	0.5 CEU (30 min)	<u>Creighton Rock Drill</u> <i>Dipperfox Tree Cutter Drill</i>	Creighton Rock Drill will discuss how the Dipperfox Tree Cutter provides fast and safe tree and stump removal through minimized excavation, improved operator safety, efficient site cleanup, and increased productivity. <i>This session will be repeated (you can only earn the 0.5 CEU one time).</i>
	2:30pm-3:00pm	Exhibitor Demo	0.5 CEU (30 min)	<u>Milwaukee Tool</u> <i>Electric saws</i>	Milwaukee will demonstrate some of their electric tools. <i>This session will be repeated (you can only earn the 0.5 CEU one time).</i>
